Animations and Evenings

Our entertainment team will take care of your entertainment

The “débrouillards” club

Dedicated to the little ones from 3 to 5 years old, the club of the “débrouillards” offers original and adapted activities on slot of 1 hour several times a week. Our qualified animation team will take care of entertaining the children in its fully equipped space by offering various animations specially designed according to the ages of your toddlers.

The kids club

From 6 years old, our qualified activity leader takes care of the children in the big yurt dedicated to your activities. Every week, a new themed program adapted to everyone’s desires is to be discovered. Rather manual activities, team games, preparation of the show, there is something for everyone.

The teen club

For young people aged 11 to 13 and 14 to 17, the youth club leader offers multiple activities in summer. With our animator, you will no longer see your teenagers. They will be able to get to know each other, meet, exchange, laugh, discover each other and above all create memorable memories.

And the adults?

Hiking, aquagym, zumba, cooking workshop, footings, petanque competitions, sports tournaments or water games, you will never get bored in our Gard campsite. Our animators prepare a varied program for you. Participate in all the activities: mission impossible! It’s up to you to prove the opposite, because our animators are already waiting for you at the turn. Here is a range of their activities.

SAFETY

INSTRUCTIONS

FIRE | FLOOD | STORM

TO FACILITATE RESCUE TEAM

- Recognize emergency exits and the paths leading to them.
- Know and respect extinguishing equipment.
- Do not obstruct their approaches.
- Always leave the exits free.
- Do not park your vehicle on the tracks where firefighters' vehicles are supposed to pass.
- Park your caravan in the direction of departure.

PREVENT THE DANGERS

- Do not smoke in places where the ban is displayed.
- Beware of flammable products (the use of methylated spirits or gasoline is prohibited).
- Do not make any changes to heating, lighting or electrical installations.
- Campfires and barbecues (except electric or gas) are prohibited except in areas specially designed for this purpose.
- Fix and consolidate on the ground all equipment (caravans, awnings, tents, utensils...).

Dial 112 for all emergencies

In the vicinity of all the common infrastructures of the village, you will find the evacuation plan in case of fire alert, storm or flood. From now on, locate your route to the emergency exits. If the alarm signal is heard, evacuate the area immediately!

GENERAL EMERGENCY INSTRUCTIONS

- Keep your calm.
- Prevent emergencies by dialing 112 or notify management.
- Turn off the gas outside and cut off the electricity.
- Leave your vehicle and camping equipment on site.
- Do not take refuge in the caravans (in case of heavy flooding or coastal storms, they can be carried away).
- Head for the nearest emergency exit.
